

DRIVETRAIN SERVICE AND COMPONENTS WARRANTY

Drivetrain Service and Components, Inc. (DTS hereafter) warrants to the purchaser that our remanufactured products will, when used for the original purpose it was intended and installed properly, be free from defects in materials and workmanship for a period of 24 months from the date of purchase.

This warranty covers parts and labor to repair or replace, at DTS's option, the failed DTS remanufactured component. Replacement components shall retain the remainder of the original warranty period and shall not be extended as a result.

This warranty shall not extend to failures caused by improper lubrication levels, contaminated lubrication, improper lubrication, operation in excess of original design limitations, improper installation practices, failure to follow proper maintenance guidelines suggested by the original manufacturer.

This warranty shall not extend to failures due to faulty or worn components mounted to the replacement unit by another party, including but not limited to clutch, clutch housing, oil cooler, power takeoff, yokes, etc.

This warranty shall not extend to failures caused by other worn or damaged components of the drivetrain that operate in conjunction with the replacement unit, including but not limited to, engine mounts, clutch, flywheel, yokes, u-joints, driveshafts, suspension components, improper ride heights, worn or improperly sized tires, etc.

This warranty shall not extend to failures caused by operator abuse including but not limited to spin out or shock load, vehicle overload, use of vehicle or modifications to vehicle that exceed it's original design and intended purpose.

Leaking input and output seals are covered under this warranty for a period of no more than 60 days from date of purchase.

DTS shall not be liable for indirect damages of any kind, including but not limited to lost or anticipated profits, consequential costs

for lodging, rental vehicles, food expenses, down time, lost revenues or wages, etc.

All warranty claims shall be made to DTS and shall be supported by satisfactory evidence in respect of the conditions stated herein. As a condition precedent to the allowance of such claims, the failed component in question shall, if requested by DTS, be returned to our facility for examination.

It is essential to contact DTS to start a warranty claim prior to removing or repairing the failed component. DTS reserves the right to designate where any warranty repair services may be performed. Reimbursement for any repairs made without DTS's prior consent shall not be considered.

All warranty reimbursement shall be made to the original purchaser. Warranty is not transferable. The following are the maximum flat labor rates for repairs or replacement of one of our remanufactured units due to defects in components or workmanship:

Heavy duty manual transmission	\$850
Mid range manual transmission	\$600
Auxiliary or transfer case.....	\$750
Forward differential.....	\$650
Rear differential	\$550
Automatic transmission.....	\$850

Except as required by law and expressly provided herein, the warranties herein are in lieu of all other expressed, implied, oral or statutory warranties and liability associated with any products or goods and DTS makes no other warranties express or implied including, without limitation, any warranty of merchantability or warranty of fitness for a particular purpose.

Notwithstanding, anything contained herein to the contrary, DTS's exclusive obligation under here under shall be, in DTS's sole discretion, to provide replacement products or refund the purchase price of the defective or non-performing product. In no event shall the aggregate liability of DTS in respect of product sold exceed the purchase price for such product actually paid by the purchaser thereof and received by DTS.
